

-IOANNINA-

RETURNING TO INNOCENCE

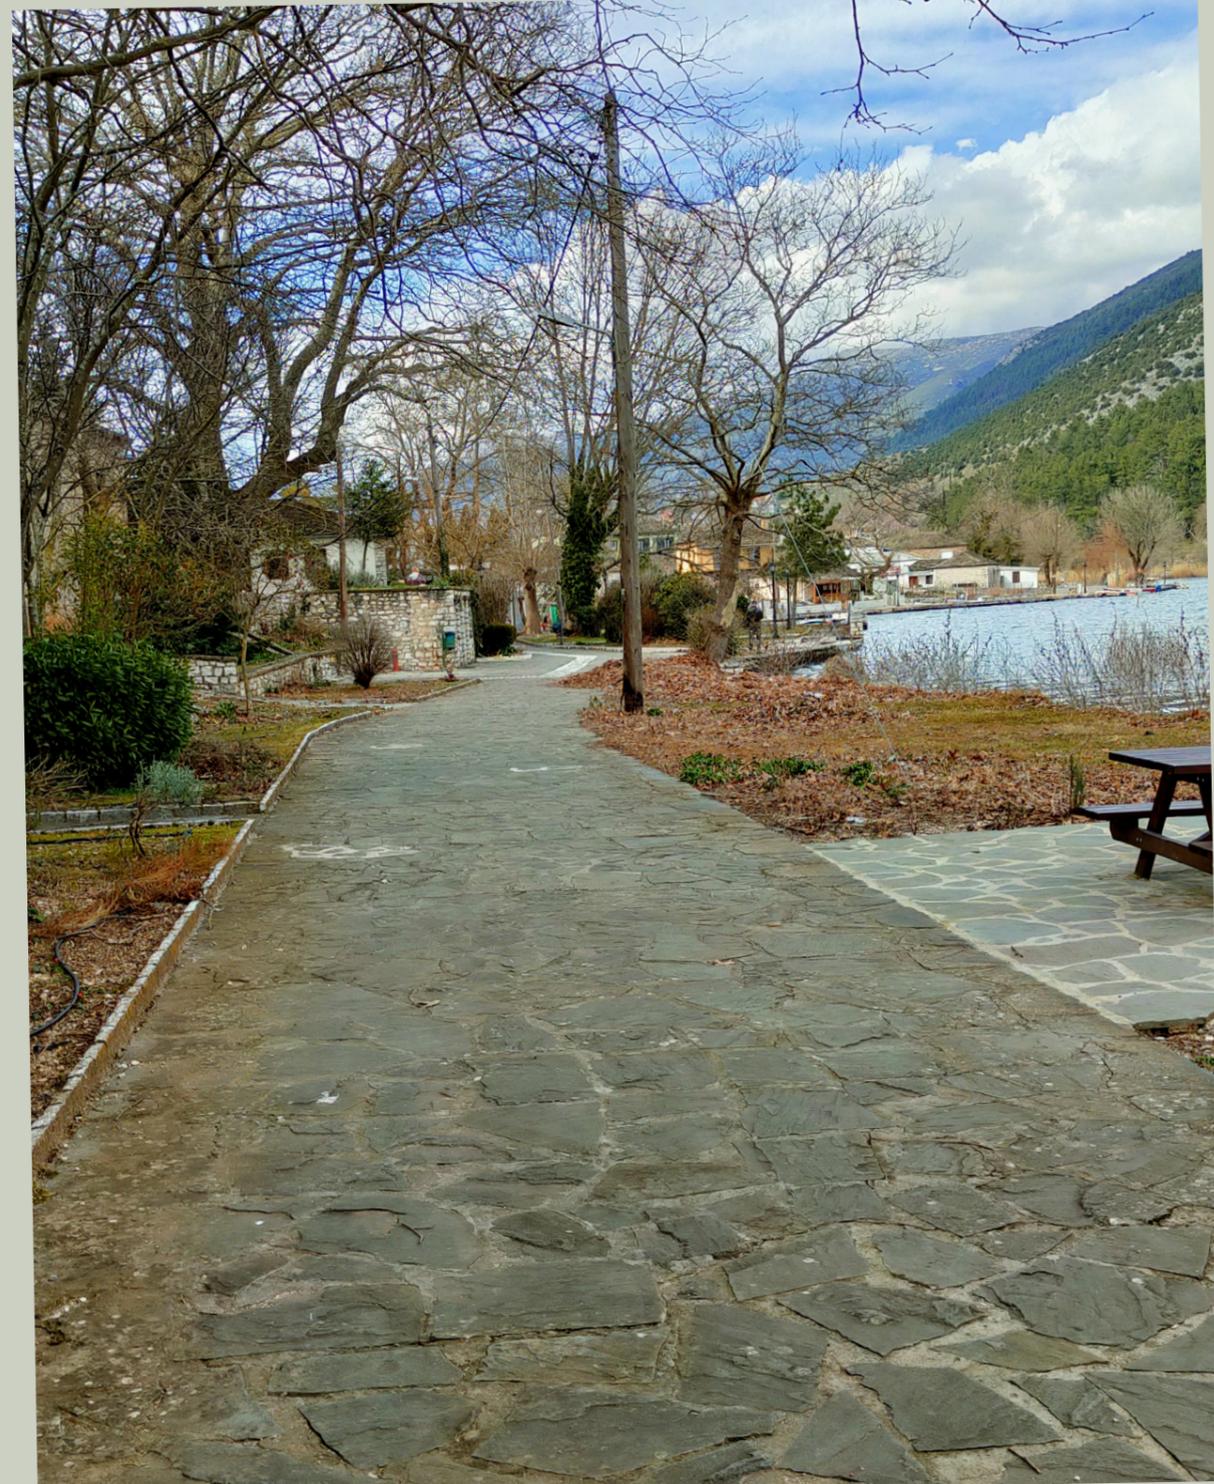

Pamvotida Lake

*Pure beauty and peace...
It's like an art piece but
real. This is the feeling that
i have everytime when I vi-
sit the lake.*

Island of Ioannina

The Island without a name where people lived in peace from different backgrounds such as Christians, Jews, and Muslims for centuries. You will make a time travel back in the centuries and will be fascinated by the natural beauty, architecture, and history of the island.

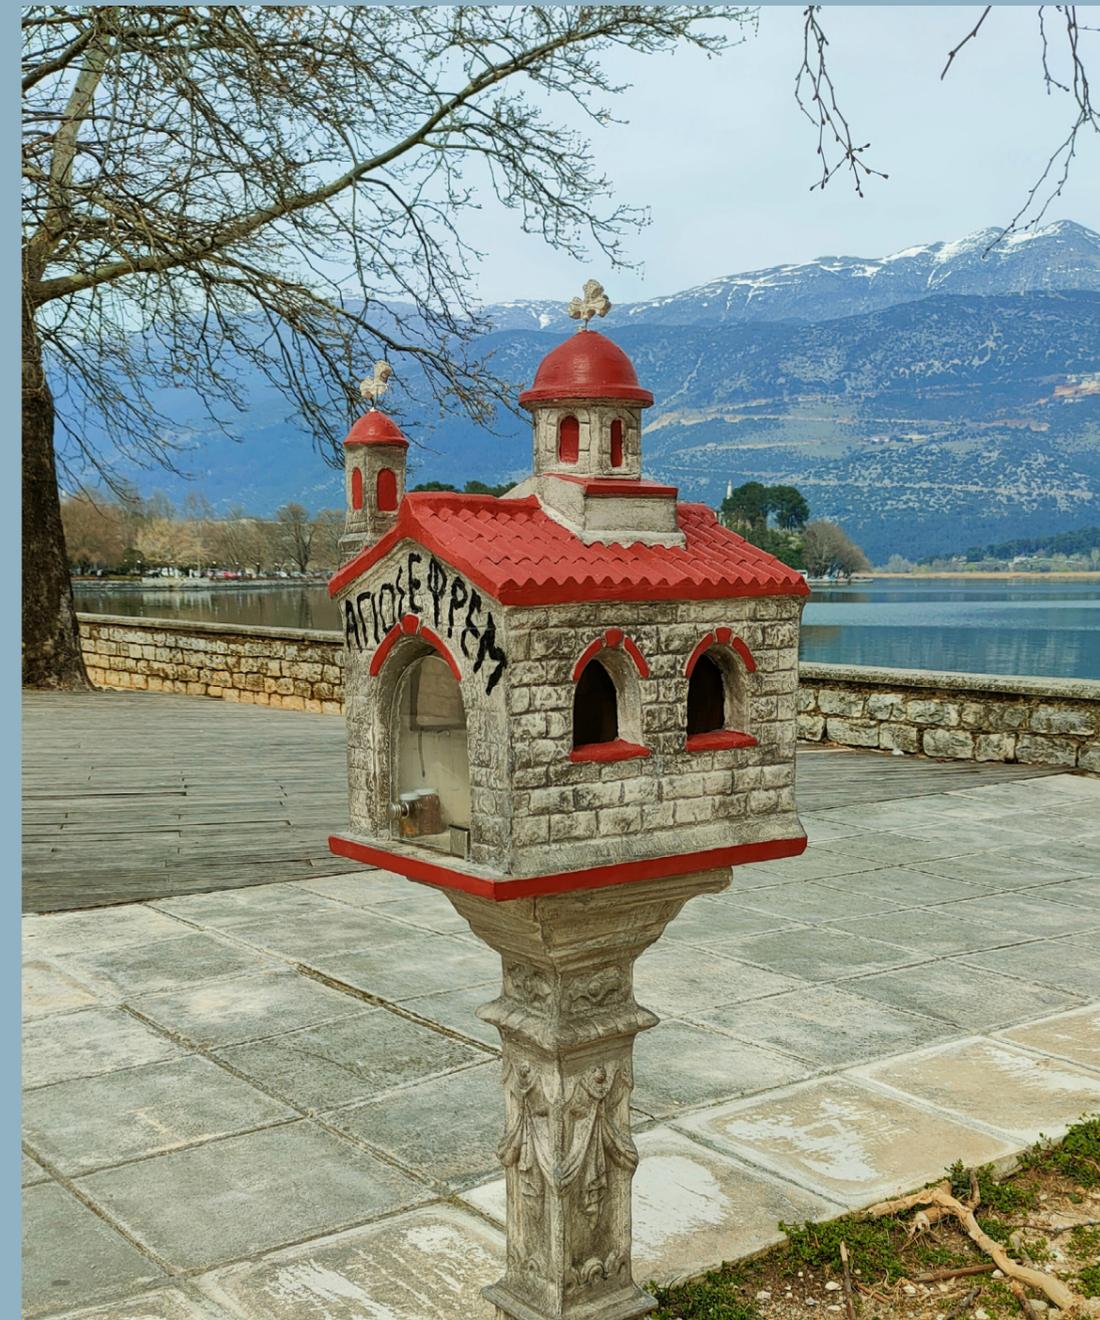

Little Churches

During any trip to Greece, travelers come across these little shrines and wonder about them. Known as "kandy-lakia" the roadside shrines are usually made of wood, stone, metal, or concrete. Clearly visible on the edges of the narrow winding mountainous roads, they commemorate the lives both lost and saved.

*The Sum of the
Corners*

You will feel connected with the past and lose your perception of time when you walk through the streets of Ioannina.
